

A leader in service to people with disabilities since 1950

Since 1950 Orange County Cerebral Palsy Association, Inc., known as Inspire has provided life changing person-centered services to support individuals who are experiencing challenges, and their families. We partner with you to help you realize your personal goals involving independence and community inclusion. It is our objective to educate the public about disability, intervention and resources, and to create programs and services that respond to the unmet needs of individuals with disabilities in our community.
