Class Options

Class ratios are referenced in terms of Students: Teacher(s): Teaching Assistants(s)

12:1:4 Full Day: This class is designed to meet the needs of students with intensive physical, medical, or educational needs. The structured environment provides daily opportunities to work on child specific skills related to daily living, communication and peer interaction.

12:1:3 Full Day: These classes provide a daily schedule which emphasizes an educational environment designed to maximize the development of functional academics, self-help skills, an ability to communicate needs and wants and demonstrate a desire to interact with both peer and adults.

8:1:2 Full Day: The students in this class require a therapeutic setting to develop communication and socialization skills. There are multiple opportunities throughout the school day to practice identified skills in individual, small group and large group settings. A variety of teaching strategies are used; these include Verbal Behavior (VBA), Theraplay, augmentative communication systems and visual schedules/supports.

8:1:1/6:1:1 Full Day/Integrated: The students in this class have achieved a level of independence in two or more of the areas of daily living, communication, social development or fine/gross motor skills. These students are ready to handle a large group setting that include typically developing peers. Students participate in a structured routine which includes opportunities for instructional play as well as independent table-top activities instructed in both small and large groups.

Golden Apple Preschool

The Golden Apple Preschool, located within Inspire Kids, is open to the general public and offers half-day inclusionary preschool classes for typically developing children between the ages of 2 1/2 and 5 years. The children learn in an educational setting in which children with typical and special needs benefit from an early education curriculum which includes academics, instructional play, social skills and fine/gross motor development.

Inspire Kids offers related services to support the recommendations made on a student's Individualized Education Plan (IEP).
