

Opportunities

Opportunities is a Non-Waiver Respite program for individuals ages 12-25 who have a means of communication and a desire to socialize with peers. The program includes weekly social skills meetings on Monday evenings and community-based activities typically held once a month.

During social skills meetings, participants learn to interact with peers, share and participate in a group setting, express themselves appropriately, and develop other essential social skills. The program offers a supportive environment to make new friends and explore the community.

Past community outings have included trips to movies and activity centers, attending concerts and fairs, and various seasonally appropriate activities.
